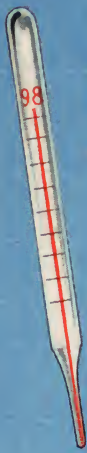
THE VAPO PATH WAY

HEATLESS PERSPIRATION

● Relax in comfort in a VAPO-PATH Bath at 90 degrees (8.6 degrees below body temperature). No weakening effect, no discomfort, no strain on the heart. Absolutely safe for both old and weak. Come in and let us show you the delightful health benefits John F. Class VAPO-PATH Baths offers you.

SOOTHING 90° FUMES



● VAPO-PATH Bath's comfortable 90 degree temperature brings pleasant stimulation and accomplishes profuse elimination at less than normal body heat (98.6 degrees).
